

AI Ebook Creation Masterclass – Product Specification (English)

Product Type: Digital Masterclass (Instant Access)

Format: Video + Guide Content

Category: AI Tools, Ebook Creation, Digital Skills, Online Business

DESCRIPTION:

In this Masterclass, you'll learn how to craft your own ebooks using AI technology.

AI makes writing and customizing easy, helping you create ebooks that reflect your unique style.

You'll also learn how to create AI-generated visuals to enhance your ebook and how to export your final product professionally.

By the end of this Masterclass, you will know how to create a high-quality ebook ready to sell or share.

Whether you're looking to earn money or share your passion, this training gives you the skills to succeed.

WHAT YOU GET:

- Mastering the usage of AI platforms
- Extra 4 white-label video tutorials
- Intro to the AI platform
- How to generate ebook ideas
- The Smart AI Writer & Editor
- Step-by-step guide: generate your first ebook
- 20 most trending ebook ideas
- The Smart AI Writer & Editor (duplicate point included as per original text)
